Margy came from one of the largest healthcare insurance companies in Western Pennsylvania and has been with HUB for over 23 years. Her focus is to ensure that carriers take everything into consideration when working on a resolution for a claim issue. Her overall goal is to be the advocate for you and to build a level of confidence and trust. You can take comfort knowing someone with Margy's experience will step in and act on your behalf.

Margy's role as claims advisor includes:

- Working directly with employees to find a resolution to claims - related issues, with HIPAA compliance being the foremost concern
- Working with insurance carriers across the United States to assist in resolving medical, dental, and vision related issues
- Assisting with claim issues that occur outside the United States
- Working directly with service providers as needed on the members behalf
- Explaining the outcome of each issue with the employee/employer
